

AFFIDAVIT OF MATTHEW W. BLOOM, PRESIDENT AND CEO OF CRIMEWATCH TECHNOLOGIES, INC.

New York (59)
COMMONWEALTH OF PENNSYLVANIA)
COUNTY OF ~~YORK~~ *Monroe* (59)) SS:

Matthew W. Bloom, President and CEO of CRIMEWATCH Technologies, Inc., being duly sworn, deposes and says:

The Harrisburg Police Department uses CRIMEWATCH as a tool for distributing press releases to the public, media and across social media. Part of this distribution also allows the public to respond with tips that may be important to public safety. The reference cards are only available as part of the online training process and are available for 30 days during onboarding. However, Harrisburg Police Department didn't have these because when they joined as a client, CRIMEWATCH did not have formal training or training materials; they were one of CRIMEWATCH's first customers.
